

Sports Achievement 2017-18

Academics are not the only competitive environment we have excelled at. We have also had notable achievements in various sporting and cultural activities. We have achievements in team sports like Football, Cricket and Kabaddi and Volley ball. Also, under individual sports like forms of Martial arts- Tae-Kwon-Do and Athletics the students have proved that there is no relation between the level of expertise and age. These sport activities, not only test the physical prowess of the players but also their teamwork and promote a spirit of sportsmanship.

Let's glance over the sports achievements of the student of RJTCC:
