

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has a well-stocked and well-maintained library that remains open from 7:30 am to 7:30 pm on all working days and all students are invited to take maximum benefit of this facility. The Library provides an open access to books, magazines, kindles and other resources and the Librarian and/or Library Attendant is/are also available for any assistance during working hours. We have tied up with S. M. Patel Institute of Commerce for use of their library. The College also has two computer labs which are open to students for practice with permission from the concerned teachers. Library and Computer labs are well-maintained and also have internet facilities for college students. The college has tied up with various institutions for using their sports grounds and students interested in any of the sports related facilities can contact Shri Devendra Sinh B. Rana, Director of Physical Education for support, assistance and guidance in this regard. All classrooms, washrooms, and college compound are cleaned daily and students are also expected to maintain cleanliness on the campus including in the computer laboratory, class rooms, seminar hall etc. The college has the facility of potable RO water on all floors and the RO plant is serviced regularly. All the rooms in college are airy, have Audio systems, LCD projectors, proper lights and fans and students are expected to make use of all the facilities for excelling in their academic pursuits. The college campus is under CCTV surveillance and cameras are also installed in all classrooms. Students are welcome to give suggestions for further improvement in maintaining and utilising all academic and support facilities.
